## Experience

### UX Designer / [Honeybee](#)

Jan 2021 - Apr 2021

Led the design of 4+ desktop and mobile features, communicating effectively with stakeholders throughout.

- Increased revenue by 100% with pricing page design
- 87% completion rate with new onboarding flow
- Created interactive prototypes, user flows, and consulted interview & survey data to design new features

### Design-Lead / [SprintUofT](#)

Oct 2020 - Apr 2021

- Designed desktop and mobile landing page
- Led meetings to onboard new members

### QA Analyst / [Digital14](#)

Sep 2019 - Aug 2020

Interviewed future employees, led test case creation, and tested our cyber security product.

- Designed interview flow and questions
- Empathized with our users to create 200+ test cases

## Projects/Freelance

### Icon Designer / [Freelance](#)

Jan 2022 - Present

Worked with clients to design icons that matched their needs

### UX Design & Research / [Smart Read](#)

Sep 2018 - Apr 2019

Created personas, user flows, interactive prototypes, and conducted interviews & testing workshops for a fake news detector app. Earned 2nd place at IBM CSC318 Student Design Competition.
